

KTU Truck Unloader

Capacity: 50 to 500 TPH

Hopper Volume: 40m³

Feeder Conveyor: 1600mm

Radial Conveyor: 1200mm

This is Mobile Truck Unloader. It can be used to load railcar and barges.

So, in sometime we can call it mobile ship loader. This plan is a 500tph truck unloader. We can provide truck unloader with higher unloading capability.
